GUIDELINES FOR MASKS AT DESERT HOPE

On May 13, the federal Centers for Disease Control issued new guidelines regarding the wearing of face masks. Both Pima County and the City of Tucson adopted the CDC guidelines on May 14. The guidelines state that fully vaccinated people do not have to wear masks indoors or outdoors at public gatherings and do not need to maintain social distancing. A fully vaccinated person is one who, if receiving either the Pfizer or Moderna shots, is two weeks past the administration of their second shot. For the Johnson & Johnson single shot vaccine, a fully vaccinated person is two weeks past the administration of the single shot.

For those people who are not fully vaccinated or who choose not to be vaccinated, the CDC recommends continuing to wear a mask and to maintain social distancing.

The Leadership Council, at its monthly meeting held May 15, adopted the CDC guidelines. Mask wearing is now optional here at Desert Hope for those who are fully vaccinated. If, even though you are fully vaccinated, you prefer to wear your mask, please do so. As per the CDC guidelines, masks are recommended for those who are not fully vaccinated or choose not to get vaccinated.

No one should ask you for proof of vaccination. However, the Leadership Council asks each of you to honor the science-based guidelines provided by the CDC as we continue to navigate through this pandemic.

Jim Kress, Leadership Council President

HOLY COMMUNION:

Holy Communion is for those who trust in Jesus and believe He brings the grace He promises in this Holy Meal. We are grateful that we have found a way to safely have communion together in-person and online.

For in-person worship we are using prepackaged communion kits that contain a wafer and grape juice sealed in a cup. You will pick up the kit from the large table in the Narthex immediately after you sanitize your hands when you arrive. Following the Words of Institution and the Lord's Prayer, you will lift your mask away from your mouth; and we will all take communion together while everyone stays in their seats. Afterwards, please replace your mask over your nose and mouth. The ushers will come by to pick up the used cups and sanitize your hands. If you are worshipping at home, gather wine or grape juice and bread and take communion during the same time.

Transition Prayer from Pastor Brian McGee

Heavenly Father,

We give You thanks for the work You have done in our hearts to prepare us to receive our new pastor. Your guiding hand of grace has been upon us, and Your provision has been made known to us.

By the work of Your Holy Spirit, unite our hearts together in one accord that, trusting in Your endless mercy for us, we may bear witness to the saving power of Your holy name. Fill us with Your eternal love, peace and joy so that we may be transformed as we follow Jesus daily, leading others to do the same.

All glory be Yours now and forevermore!

Amen
