

My Story – Pastor Kent

1. God's Word is key to evangelism.

"I am not ashamed of the gospel, because it is the power of God for the salvation of anyone who believes." Romans 1:16

2. We are not teaching people religion but introducing them to a person.

"In communicating the gospel, it is essential to realize that Christianity is not a philosophy or a way of life, but a living person, Jesus Christ."
How to Give Away Your Faith, Paul Little.

3. It works best for believers to share Christ with others already in their lives.

"Our goals for influencing someone for Christ should start not with total strangers but with people already in our lives."
Everyday Evangelism, Queen

4. God always partners.

God sent out teams of two disciples to evangelize.

"Very few people are converted all of a sudden through one experience. Usually conversion results from a series of events and interactions. A worthwhile goal for us is to seek to be one link in the chain of someone's conversion. Every day Evangelism"

The parents of faith are the Spirit and the Word. God has made the church the administrator of God's Word. The Spirit works and creates faith through the Word. If we do not share the gospel, no one will and no one will come to faith.
