We are holding a Yard/Patio Sale to support the Agua Prieta Ministry, which builds home structures for needy families in Agua Prieta, Mexico. Desert Hope has several members that have been leaders in this ministry for many years.

This is a "Youth & Family" service project, but we will need many hands for this big event. Please consider how you may be able to serve.

- Donations can be dropped off on Friday, March 8 between 9AM-3PM.
- Desert Hoppers can have first dibs on Friday, March 8.
- Volunteers needed on Friday to receive donations and display them on tables.
- Volunteers needed on Saturday to bring the prepared tables to the patio, and then to support the sale and greet the public.

Volunteers needed to help load the trucks at the end.
